# **DIRECTORS' REPORT**

The directors present their report together with the financial report of St John Ambulance Australia Queensland Limited (the 'company') for the year ended 30 June 2022 and auditor's report thereon.

#### **Directors names**

The names of the directors in office at any time during or since the end of the year are:

Rev. Dr Peter Devenish-Meares DBA

Mr Glen Morrison

Dr Angus McDonell BM

Ms Alison De Marco

Mr Ray Thurlow

Mr Michael Andrews

Ms Judy Morgan

Mr Brett Mildwaters (appointed: 30 October 2021)

Ms Angelique Ettia (appointed: 15 August 2022)

Ms Sharon Houghton (ceased: 18 July 2022)

The directors have been in office since the start of the year to the date of this report unless otherwise stated.

#### Results

The profit of the company for the year after providing for income tax amounted to \$174,668 (2021: profit of \$2,629,610).

# **Review of operations**

The company's vision is to be the charity of choice dedicated to the service of humanity, enhancing the lives of all people and their communities and a trusted partner through their life's journey, a leader in the field in first aid and community health resilience. The company's mission - "With You For Life" - is to sustainably serve our community by building capacity, resilience and well-being.

# Significant changes in state of affairs

In January 2022, St John Ambulance Australia Queensland Limited partnered with the Indigenous Diabetes Eye and Screening (IDEAS Van) Partnership and commenced the operations of the St John Eye Van, providing ophthalmic services to rural and remote communities in Queensland.

Other than this, there were no significant changes in the company's state of affairs that occurred during the financial year.

#### **DIRECTORS' REPORT**

# Short-term and long-term objectives and strategies

A new 2022-2024 strategic plan was adopted by the Board of Directors in February 2022. The five strategic priorities of the plan are:

- 1. Charity of choice realise and embody the St John Vision and Mission and embed St John as a household name.
- 2. Community support and partnership implement St John "With You For Life".
- 3. Client Solutions grow the range of contemporary, relevant and sustainable solutions, with a focus on excellence.
- 4. Our People and Performance performance excellence through strong leadership and values driven culture, to create an environment that enables the Team St John culture to develop and thrive.
- 5. Stewardship and Sustainability lead and manage a trusted and commercially successful organisation to sustainably support the community into the future.

# **Principal activities**

To carry out the company's strategies and to achieve its short-term and long-term objectives, the company engaged in its principal activities during the year of delivering RTO credential first aid training, sale of first aid products, social support services, first aid and event health services and ophthalmic services to regional and remote communities, to enhance the lives of the wider community.

#### After balance date events

No matters or circumstances have arisen since the end of the financial year which significantly affected or may significantly affect the operations of the company, the results of those operations, or the state of affairs of the company in future financial years.

# Likely developments

The company expects to continue to grow across all levels of operations and implement efficiencies to ensure that growth is sustainable.

#### **Environmental regulation**

The company's operations are not regulated by any significant environmental regulation under a law of the Commonwealth or of a State or Territory.

# Members guarantee

The company is incorporated under the *Corporations Act 2001* and is a company limited by guarantee. If the company is wound up, the Constitution states that each member is required to contribute to a maximum of \$10 each towards meeting any outstandings and obligations of the company. At 30 June 2022 the number of members was 976. The combined total amount that members of the company are liable to contribute if the company is wound up is \$9,760.

# Indemnification of officers

Insurance policies are held to provide cover for individual Directors and/or Officers and the company for liability arising out of the individuals' wrongful act or breach of duty.

# **DIRECTORS' REPORT**

# Indemnification of auditors

No indemnities have been given or insurance premiums paid, during or since the end of the year, for any person who is or has been an auditor of the company.

# Auditor's independence declaration

A copy of the auditor's independence declaration in relation to the audit for the financial year is provided with this report.

Signed on behalf of the board of directors.

Director:

Rev. Dr Peter Devenish-Meares

Dated this 15th day of November 2022

Level 38, 345 Queen Street Brisbane, QLD 4000

Postal address GPO Box 1144 Brisbane, QLD 4001

p. +61 7 3222 8444

The Directors St John Ambulance Australia Queensland Limited 157 Granite Street Geebung QLD 4034

# **Auditor's Independence Declaration**

In relation to the independent audit for the year ended 30 June 2022, to the best of my knowledge and belief there have been no contraventions of APES 110 Code of Ethics for Professional Accountants (including Independence Standards).

#### NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2022

# **NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES**

The financial report is a general purpose financial report that has been prepared in accordance with the *Australian Charities and Not-for-profits Commission Act 2012* and Australian Accounting Standards - Simplified Disclosures, Interpretations and other applicable authoritative pronouncements of the Australian Accounting Standards Board. This includes compliance with the recognition and measurement requirements of all Australian Accounting Standards, Interpretations and other authoritative pronouncements of the Australian Accounting Standards Board and the disclosure requirements of AASB 1060 *General Purpose Financial Statements - Simplified Disclosures for For-Profit and Not-for-Profit Tier 2 Entities*.

This financial report is the first financial report of the company prepared in accordance with Australian Accounting Standards - Simplified Disclosures. The prior year financial report was prepared in accordance with Australian Accounting Standards - Reduced Disclosure Requirements. The transition from the previous financial reporting framework to Australian Accounting Standards - Simplified Disclosures has not affected the company's reported financial position, financial performance and cash flows.

The financial report covers St John Ambulance Australia Queensland Limited as an individual entity. St John Ambulance Australia Queensland Limited is a company limited by guarantee, incorporated and domiciled in Australia. St John Ambulance Australia Queensland Limited is a not-for-profit entity for the purpose of preparing the financial statements.

The financial report was approved by the directors as at the date of the directors' report.

The following are the significant accounting policies adopted by the company in the preparation and presentation of the financial report. The accounting policies have been consistently applied, unless otherwise stated.

# (a) Basis of preparation of the financial report

Historical Cost Convention

The financial report has been prepared under the historical cost convention, as modified by revaluations to fair value for certain classes of assets and liabilities as described in the accounting policies.

Significant accounting estimates and judgements

The preparation of the financial report requires the use of certain estimates and judgements in applying the company's accounting policies. Those estimates and judgements significant to the financial report are disclosed in Note 2 to the financial statements.

#### (b) Going concern

The financial report has been prepared on a going concern basis, which contemplates continuity of normal business activities and the realisation of assets and the settlement of liabilities in the ordinary course of business.

# (c) New and revised accounting standards effective at 30 June 2022

The company has applied all new and revised Australian Accounting Standards that apply to annual reporting periods beginning on or after 1 July 2021. The company has not early adopted any new accounting standards that are not yet effective.

# NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2022

#### NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

#### (d) Revenue

Revenue from sale of goods is recognised when the significant risks and rewards of ownership of the goods have passed to the buyer and the costs incurred or to be incurred in respect of the transaction can be measured reliably. Risks and rewards of ownership are considered passed to the buyer at the time of delivery of the goods to the customer.

Revenue from the rendering of services is recognised upon the delivery of the service to the customers.

Unearned revenue comprises amounts received in advance of provision of goods and services.

# Revenue from the provision of services

Revenue from the provision of services comprises revenue derived from training, events and transport. These services are provided under contractual arrangements that contain enforceable and sufficiently specific performance obligations. Revenue from the provision of services is recognised at a point in time as the performance obligation is satisfied, based on either costs incurred or service hours performed, consistent with the manner in which services are provided.

#### Revenue from the sale of goods

Revenue from the sale of good comprises revenue derived from the sale of goods purchased for resale. Revenue is recognised at the point in time when control of the goods is transferred to the customer, which generally occurs at the time the goods are purchased by customers.

#### Contract liabilities

A contract liability represents the company's obligation to provide future services under contractual arrangements that contain enforceable and sufficiently specific performance obligations for which the company has received consideration (or an amount of consideration is due) in advance of those services being provided. Amounts recorded as contract liabilities are subsequently recognised as revenue as performance obligations are satisfied.

# (e) Other revenue and other income

#### Donations

Cash donations and goods and services donated in-kind are recognised as income when the company obtains control of the asset. These revenues are recognised at the fair value of the consideration received.

# Interest

Interest revenue is measured in accordance with the effective interest method.

All revenue is measured net of the amount of goods and services tax (GST).

# (f) Income tax

No provision for income tax has been raised as the company is exempt from income tax.

# (g) Inventories

Inventories are measured at the lower of cost and net realisable value. Cost comprise all costs of purchase, costs of conversion and other costs incurred in bringing the inventories to their present location and condition.

# NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2022

#### NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

#### (h) Financial instruments

#### Initial recognition and measurement

Financial assets and financial liabilities are recognised when the company becomes a party to the contractual provisions of the instrument. For financial assets, this is equivalent to the date that the company commits itself to either the purchase or sale of the asset (i.e. trade date accounting is adopted).

Financial instruments are initially measured at fair value adjusted for transaction costs, except where the instrument is classified as fair value through profit or loss, in which case transaction costs are immediately recognised as expenses in profit or loss.

#### Classification of financial assets

Financial assets recognised by the company are subsequently measured in their entirety at either amortised cost or fair value, subject to their classification and whether the company irrevocably designates the financial asset on initial recognition at fair value through other comprehensive income (FVtOCI) in accordance with the relevant criteria in AASB 9 Financial Instruments.

Financial assets not irrevocably designated on initial recognition at FVtOCI are classified as subsequently measured at amortised cost, FVtOCI or fair value through profit or loss (FVtPL) on the basis of both:

- (a) the company's business model for managing the financial assets; and
- (b) the contractual cash flow characteristics of the financial asset.

#### Classification of financial liabilities

Financial liabilities classified as held-for-trading, contingent consideration payable by the company for the acquisition of a business, and financial liabilities designated at FVtPL, are subsequently measured at fair value.

All other financial liabilities recognised by the company are subsequently measured at amortised cost.

#### Trade and other receivables

Trade and other receivables arise from the company's transactions with its customers and are normally settled within 30 days.

Consistent with both the company's business model for managing the financial assets and the contractual cash flow characteristics of the assets, trade and other receivables are subsequently measured at amortised cost.

# Impairment of financial assets

The company applies the simplified approach under AASB 9 to measuring the allowance for credit losses for receivables from contracts with customers, contract assets and lease receivables. Under the AASB 9 simplified approach, the company determines the allowance for credit losses for receivables from contracts with customers, contract assets and lease receivables on the basis of the lifetime expected credit losses of the financial asset.

# (i) Property, plant and equipment

Each class of property, plant and equipment is measured at cost or fair value less, where applicable, any accumulated depreciation and any accumulated impairment losses.

#### **Property**

Freehold land and buildings are measured at cost, less accumulated depreciation and any accumulated impairment losses.

# Plant and equipment

Plant and equipment is measured on the cost basis.

# NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2022

# NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

# (i) Property, plant and equipment (Continued)

#### Depreciation

Land is not depreciated. The depreciable amount of all other property, plant and equipment is depreciated over their estimated useful lives commencing from the time the asset is held available for use, consistent with the estimated consumption of the economic benefits embodied in the asset.

Class of fixed asset	Depreciation rates	Depreciation basis
Buildings at cost	2.5%-5%	Straight line
Leasehold improvements at cost	2.5%-37.5%	Straight line
Plant and equipment at cost	7.5%-50%	Straight line

# (j) Intangible assets

#### Software

IT development and software costs incurred in developing products or systems and costs incurred in acquiring software and licences that will contribute to future period financial benefits through revenue generation and/or cost reduction are capitalised to software and systems. Costs capitalised include external direct costs of materials and service and direct payroll and payroll related costs of employees' time spent on the project.

Amortisation is calculated on a straight-line basis over period generally ranging from 2.5 to 5 years.

IT development costs include only those costs directly attributable to the development phase and are only recognised following completion of technical feasibility and where the company has the intention and ability to use the asset.

# (k) Payables

Trade and other payables represent liabilities for goods and services provided to the company prior to the end of the financial year which are unpaid. They are carried at cost which is the fair value of the consideration to be paid. The amounts are unsecured and are usually paid within 30 days of recognition.

# (I) Provisions

Provisions are recognised when the company has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured.

The amount recognised as a provision is the best estimate of the expenditure required to settle the present obligation at the end of the reporting period.

# (m) Employee benefits

# (i) Short-term employee benefit obligations

Liabilities arising in respect of wages and salaries, annual leave and other employee benefits (other than termination benefits) expected to be settled wholly before twelve months after the end of the reporting period are measured at the (undiscounted) amounts based on remuneration rates which are expected to be paid when the liability is settled. The expected cost of short-term employee benefits in the form of compensated absences such as annual leave is recognised in the provision for employee benefits. All other short-term employee benefit obligations are presented as payables in the statement of financial position.

# NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2022

# NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

#### (m) Employee benefits (Continued)

# (ii) Long-term employee benefit obligations

The provision for other long-term employee benefits, including obligations for long service leave and annual leave, which are not expected to be settled wholly before twelve months after the end of the reporting period, are measured at the present value of the estimated future cash outflow to be made in respect of the services provided by employees up to the reporting date. Expected future payments incorporate anticipated future wage and salary levels, durations of service and employee turnover, and are discounted at rates determined by reference to market yields at the end of the reporting period on government bonds that are denominated in the currency in which the benefits will be paid. Any remeasurements for changes in assumptions of obligations for other long-term employee benefits are recognised in profit or loss in the periods in which the change occurs.

Other long-term employee benefit obligations are presented as current liabilities in the statement of financial position if the company does not have an unconditional right to defer settlement for at least twelve months after the reporting date, regardless of when the actual settlement is expected to occur. All other long-term employee benefit obligations are presented as non-current liabilities in the statement of financial position.

# (iii) Retirement benefit obligations

#### Defined contribution superannuation plan

The company makes superannuation contributions to the employee's defined contribution superannuation plan of choice in respect of employee services rendered during the year. These superannuation contributions are recognised as an expense in the same period when the related employee services are received. The company's obligation with respect to employee's defined contributions entitlements is limited to its obligation for any unpaid superannuation guarantee contributions at the end of the reporting period. All obligations for unpaid superannuation guarantee contributions are measured at the (undiscounted) amounts expected to be paid when the obligation is settled and are presented as current liabilities in the statement of financial position.

# (n) Leases

At the commencement date of a lease (other than leases of 12-months or less and leases of low value assets), the company recognises a lease asset representing its right to use the underlying asset and a lease liability representing its obligation to make lease payments.

#### Lease assets

Lease assets are initially recognised at cost, comprising the amount of the initial measurement of the lease liability, any lease payments made at or before the commencement date of the lease, less any lease incentives received, any initial direct costs incurred by the company, and an estimate of costs to be incurred by the company in dismantling and removing the underlying asset, restoring the site on which it is located or restoring the underlying asset to the condition required by the terms and conditions of the lease, unless those costs are incurred to produce inventories.

Subsequent to initial recognition, lease assets are measured at cost (adjusted for any remeasurement of the associated lease liability), less accumulated depreciation and any accumulated impairment loss.

Lease assets are depreciated over the shorter of the lease term and the estimated useful life of the underlying asset, consistent with the estimated consumption of the economic benefits embodied in the underlying asset.

# Lease liabilities

Lease liabilities are initially recognised at the present value of the future lease payments (i.e., the lease payments that are unpaid at the commencement date of the lease). These lease payments are discounted using the interest rate implicit in the lease, if that rate can be readily determined, or otherwise using the company's incremental borrowing rate.

Subsequent to initial recognition, lease liabilities are measured at the present value of the remaining lease payments (i.e., the lease payments that are unpaid at the reporting date). Interest expense on lease liabilities is recognised in profit or loss (presented as a component of finance costs). Lease liabilities are remeasured to reflect changes to lease terms, changes to lease payments and any lease modifications not accounted for as separate leases.

# NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2022

# NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

# (n) Leases (Continued)

Variable lease payments not included in the measurement of lease liabilities are recognised as an expense when incurred.

Leases of 12-months or less and leases of low value assets

Lease payments made in relation to leases of 12-months or less and leases of low value assets (for which a lease asset and a lease liability has not been recognised) are recognised as an expense on a straight-line basis over the lease term.

# (o) Goods and services tax (GST)

Revenues, expenses and purchased assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Tax Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the statement of financial position are shown inclusive of GST.

Cash flows are presented in the statement of cash flows on a gross basis, except for the GST component of investing and financing activities, which are disclosed as operating cash flows.

# (p) Comparatives

Where necessary, comparative information has been reclassified and repositioned for consistency with current year disclosures.

#### NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2022

# NOTE 2: SIGNIFICANT ACCOUNTING ESTIMATES AND JUDGEMENTS

In the process of applying the company's accounting policies, management makes various judgements that can significantly affect the amounts recognised in the financial statements. In addition, the determination of carrying amounts of some assets and liabilities require estimation of the effects of uncertain future events. Outcomes within the next financial year that are different from the assumptions made could require a material adjustment to the carrying amounts of those assets and liabilities affected by the assumption.

The following outlines the major judgements made by management in applying the company's accounting policies and/or the major sources of estimation uncertainty, that have the most significant effect on the amounts recognised in the financial statements and/or have a significant risk of resulting in a material adjustment to the carrying amount of assets and liabilities within the next financial year:

#### (a) Leases assets and lease liabilities

At the commencement date of a lease (other than leases of 12-months or less and leases of low value assets), the company recognises a lease asset representing its right to use the underlying asset and a lease liability representing its obligation to make lease payments. In order to measure a lease asset and corresponding lease liability, the company is required to make a determination of the lease term. This determination includes an assessment of whether the company is reasonably certain to exercise an option to extend the lease or to purchase the underlying asset, or not to exercise an option to terminate the lease. In making this judgement, the company considers all relevant facts and circumstances that create an economic incentive for the company to exercise, or not to exercise, the option, including any expected changes in facts and circumstances from the commencement date of the lease until the exercise date of the option.

Where the interest rate implicit in a lease cannot be readily determined, an incremental borrowing rate is estimated to discount future lease payments to measure the present value of the lease liability at the lease commencement date. Such a rate is based on what the company estimates it would have to pay a third party to borrow the funds necessary to obtain an asset of a similar value to the right-of-use asset, with similar terms, security, and economic environment.

# (b) Estimation of useful lives of assets

The company determines the estimated useful lives and related depreciation and amortisation charges for its property, plant and equipment and finite life intangible assets. The useful lives could change significantly as a result of technical innovations or some other event. The depreciation and amortisation charge will increase where the useful lives are less than previously estimated lives, or technically obsolete or non-strategic assets that have been abandoned or sold will be written off or written down.

# (c) Employee benefits provision

As discussed in note 1, the liability for employee benefits expected to be settled more than 12 months from the reporting date are recognised and measured at the present value of the estimated future cash flows to be made in respect of all employees at the reporting date. In determining the present value of the liability, estimates of attrition rates and pay increases through promotion and inflation have been taken into account.

#### Loan - QRIDA

On 20 April 2020 the company entered into a loan agreement with the Queensland Rural and Industry Development Authority (QRIDA), to obtain a loan of up to \$250,000 for financial assistance under the COVID-19 Jobs Support Loan scheme. The facility is interest free for the first 12 months from the commencement date, with a prevailing fixed interest rate of 2.5% over the remaining lease term. The term of the loan is 10 years from the date of drawdown, and the facility is interest only for the first 3 years. The loan is secured by a general security agreement over all existing and future assets and undertakings of the company.

# **Bank facilities - ANZ**

On 5 November 2019 the company entered into an agreement with ANZ bank to obtain an overdraft facility with a limit of \$200,000 and commercial card facility with a limit of \$75,000. The overdraft facility was not drawn down at 30 June 2022. Both facilities are secured by a general security deed over all existing and future assets and undertakings of the company.

# Independent Auditor's Report To the Members of St John Ambulance Australia Queensland Limited

# Report on the Audit of the Financial Report

# Opinion

We have audited the financial report of St John Ambulance Australia Queensland Limited (the "Registered Entity"), which comprises the statement of financial position as at 30 June 2022, the statement of profit and loss and other comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, notes to the financial statements including a summary of significant accounting policies, and the directors' declaration.

In our opinion the financial report of St John Ambulance Australia Queensland Limited has been prepared in accordance with Division 60 of the *Australian Charities and Not-for-profits Commission Act 2012*, including:

- (a) giving a true and fair view of the Registered Entity's financial position as at 30 June 2022 and of its financial performance for the year then ended; and
- (b) complying with Australian Accounting Standards and Division 60 of the Australian Charities and Not-for-profits Commission Regulation 2013.

# Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the Registered Entity in accordance with the auditor independence requirements of the *Australian Charities and Not for-profits Commission Act 2012* "ACNC Act" and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* "the Code" that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Other Information

The directors are responsible for the other information. The other information comprises the information included in the Registered Entity's annual report for the year ended 30 June 2022 but does not include the financial report and our auditor's report thereon.

**bakertilly**NETWORK MEMBER

pitcher.com.au

Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon. In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report, or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the Directors for the Financial Report.

The directors of the Registered Entity are responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards and the ACNC Act, and for such internal control as the directors determine is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, directors are responsible for assessing the Registered Entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intends to liquidate the Registered Entity or to cease operations, or has no realistic alternative but to do so.

The directors are responsible for overseeing the Registered Entity's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to
  fraud or error, design and perform audit procedures responsive to those risks, and obtain audit
  evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not
  detecting a material misstatement resulting from fraud is higher than for one resulting from error,
  as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override
  of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit
  procedures that are appropriate in the circumstances, but not for the purpose of expressing an
  opinion on the effectiveness of the Registered Entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by responsible entities.
- Conclude on the appropriateness of the responsible entity's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Registered Entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Registered Entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
