Meet a Team Member

Bec

What is your role?

Community Development Coordinator - which involves managing volunteers and participants of the ACVVS program. More recently, I am also responsible for running the TAFE student program and sessions for staff and volunteers on the “How to become a Dementia Friend” (Dementia Awareness) program.

How long have you been with St John QLD?

2yrs, 7 mths.

What is your favourite colour?

Tiffany Blue-(Also known as Robin Egg Blue)

What is your favourite food?

Greek Cuisine

Do you have any hobbies?

Painting- (acrylic and oil on canvas, but it's been a while since I've been able to get back to it). Collecting gemstones, and would love to eventually get the opportunity to go fossicking with my kids.

What is your favourite thing about your job?

What I love most about my job is witnessing the genuine human connections that form between participants in the ACVVS program and our volunteers. Seeing an older person's life changed with a renewed sense of meaning and hope through something as simple as a visit is incredibly rewarding. But what makes it even more special is when volunteers realise that the experience is just as meaningful for them—that these connections bring purpose and fulfilment into their own lives too. I value those simple, heartfelt moments—sharing a cuppa and a conversation—where people feel truly seen and heard. In a world that relies so heavily on technology, being able to foster real, face-to-face connections and reduce isolation is something I find deeply meaningful.
