Introducing the St John Pocket AED

Life-Saving Protection, Right at Home

When a cardiac emergency occurs, quick action makes all the difference. St John QLD is proud to introduce the new St John Pocket AED, a compact, personal defibrillator designed to give you and your loved ones total peace of mind at home.

- **Compact & Lightweight:** Small enough to sit comfortably on your kitchen bench or counter.
- **Easy & Guided to Use:** Simple, clear voice prompts guide you through every single step.
- **Fully Reusable:** Designed for long-term home safety, not just a single use.
- **Made for Everyone:** No medical background or special training required.

Protecting the people who matter most has never been simpler. To learn more about how the Pocket AED can safeguard your home, *chat with our team or visit our website today!*

Staying Sharp and Active

Keeping our minds active is one of the best ways to support brain health, build cognitive reserve, and strengthen mental connections. Just like physical exercise keeps our bodies moving, simple mental workouts, like the Anagram Square puzzle, give our brains a great workout and help keep us sharp.

This September, St John is proud to help you stay both mentally active and socially connected through our regular community transport trips. Joining us for a friendly day out is a wonderful way to challenge your mind, meet new people, and catch up with friends.

Check your September timetable for all our upcoming social trip details and booking information!

Anagram Square

Rearrange the letters in each row to form a word. Write your answers into the blank grid. The first letter from each word, reading down, will spell the mystery keyword.

Sandra

What is your role?

My role is Customer Care Consultant as part of the intake team, which means I am lucky enough to get to spend my days meeting and talking with people assisting lots of lovely people requiring transport through the registration process enabling them to use ST John for their transport needs.

How long have you worked with St John Qld?

I will celebrate 5 years of service with St John on the 08/11.

What is your favourite food?

My favorite food would be homemade Lasagna and chips. My favorite dessert would be Pavlova.

What is your favourite colour?

My favorite colour is purple.

Do you have any hobbies?

My interests outside of work include collecting teddy bears and going to the gym. I enjoy cycling, running and walking in the great outdoors. I also love spending time with family and friends.

What is your favourite thing about your job?

The favorite part of my job is helping people. Being able to meet, speak with and listen to people everyday, assisting them to remain independent and make a good difference, sometimes relieving the stress of not having transport to get to medical appointments and shopping, sometimes the small things can make the biggest difference. Being able to help people when they need it most is an absolute privilege.
