COMMUNITY CONNECTIONS TRANSPORT

From this month forward, the trips in our monthly booklet (previously called What's On) will now be known as Community Connections Transport. This new name reflects our focus on linking you with everything happening in your local community through unaccompanied trips designed to support independence, engagement and social connection.

Community Connections Transport will also include our former "Scheduled Services" which are regular timetabled trips to local shopping centres, now all in one easy-to-read place to help you plan your outings with confidence.

Please note transport does not run on weekends or public holidays.

To book on to any of our Community Connections trips, please call St John Queensland on 1300 785 646.

NEW TRANSPORT SERVICES PROMOTION

From January 2026, St John QLD will introduce new promotional transport rates, designed to make our services even more accessible and help more people travel within their community, more often. We listened to what people need to support their access to the community and balanced this against providing a sustainable service - as we have provided in Queensland for over 28 years.
