Staying Sharp and Active

Keeping our minds active is one of the best ways to support brain health, build cognitive reserve, and strengthen mental connections.

Simple exercises—like the Anagram Square puzzle—give our brains a great workout and keep us sharp.

This July, St John is proud to help you stay both mentally active and socially connected with the community transport trips to the Dementia Sharing Circle at Everton Park and the brand-new location at Redcliffe!

Whether you are navigating memory changes yourself, supporting a loved one, or simply looking to connect with others, join us for a friendly morning out.

Check your July timetable for trip details and booking information.

Paige

What is your role?

Customer Care Consultant.

How long have you worked with St John Qld?

Since February, and have enjoyed every day so far!

What is your favourite food?

I love lots of food but none as much as I love coffee. Does coffee count?

What is your favourite colour?

Pink, a nice millennial shade of pink to be specific.

Do you have any hobbies?

My husband and I have recently just purchased our first home so most of my free time is spent doing renovations. If I am not somewhere patching and painting a wall I am probably hanging out with my 5 year old son.

What is your favourite thing about your job?

My favourite thing about my job is getting to chat with all of our clients every day, and helping them stay independent within their community

KNOW OF A LOCAL EVENT COMING UP?

We love filling our Community Connections Transport booklet with great local outings! If you know of a community event that others might enjoy, let us know. We'll try to include it in the next edition.
